Once seeded and not scratched, the swimmer will be treated as entered as stated in 207.12.6.C. 207.12.6.C states that, “In all events where preliminary heats are necessary, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which they are entered and have not been scratched in accordance to the modified version of rule 207.12.6.A and 207.12.6.B of the Rules and Regulations will be barred from all further individual and relay events of that day. Additionally that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares their intent to swim prior to the close of seeding for the next days events.”
